What type of insurance is it?

Tyre Insurance is designed to protect against the unforeseen costs of having to replace or repair the tyres on your vehicle, as a result of accidental or malicious damage.

What is insured?

- ✓ Provided:
 - You are a private individual and the registered owner and keeper of the vehicle;
 - Your vehicle is five years old or under and has covered less than 60,000 miles at the start date of the policy;
 - Your vehicle has been inspected by a local repair agent at a date and time to suit you. This vehicle inspection is arranged for you by MotorEasy, is free of charge and must be completed before a policy can be issued; and
 - Your vehicle has no existing tyre damage and a minimum of 2mm of tread across the full width of the tyre. Any issues identified during the inspection must be rectified before any policy can be issued and a further inspection may be required. If your vehicle has no existing tyre damage a policy must be taken up within 30 days of completion of the inspection.

- ✓ Damage means:
 - the sudden and unforeseen deflation of a tyre arising from accidental damage to the tyre itself;
 - or malicious damage to the tyre or valve from a third party, necessitating immediate repair or replacement before normal use can be resumed.

What is not insured?

- ✗ Any claim where at the time of damage the tyre tread depth is less than 2mm across any tread area of the tyre.
- ✗ Any malicious damage claim, which is not accompanied by a valid and substantiated crime reference number.
- ✗ Theft of the tyre(s).
